May 2024

Marvelous May! What an exciting time with graduations, weddings, Mother's Day and Memorial Day. There is so much to celebrate, and we are all so blessed to live in the peace and abundance enjoyed in America. We hope all is wonderful with you and your families!

Dr. Max shared that for Haitian Christians, they totally depend on God for everything. ***It is still resonating that he said they pray 2-3 hours every night just to have something to eat the next day.*** We go about our days not too much worried that we won't have a next meal. When they are sick, they can't just make an appointment to see a doctor or run to the pharmacy, so they pray.....***and they do receive miracles.*** Dr. Max can tell you many he has personally experienced and seen firsthand. The Lord is amazing, and He hears the cries of His sons and daughters.

Crisis Update:

On Tuesday, Fritz Bélizaire was appointed Prime Minister by the 7 person transitional council! Hallelujah that things are beginning to change. Pray for peace and wisdom from the Lord for him and the council as they select Cabinet members, and that they will follow God in leading this country.

We cannot imagine the atrocities and difficulties the people there are faced with every day.

From AP World News April 30:

More than 90,000 people have fled the capital in the span of one month, and overall, more than 360,000 people have been left homeless in recent years as gunmen raze communities in rival territories.

Gang members have burned police stations, opened fire on the main international airport that remains closed since early March and broke into Haiti's two biggest prisons, releasing more than 4,000 inmates. The country's biggest seaport also remains largely paralyzed by gang violence.

From CNN Report April 30:

Bodies lie among uncollected trash in the streets and the neighborhoods still free of gang control have seen the rise of fear-filled vigilantes, who kill and burn suspicious outsiders.

It is expected that a peace-keeping force from Kenya will deploy to Haiti end of May.

School Reopened:

Some of the schools have been able to open in the last several weeks and we are so happy when the children can gather and enjoy time together and some normalcy. ***Thank you everyone that sponsors children for school. It gives them such hope!***

Clinic Update: In faith we are funding the Clinic in Montrouis, paying the doctors and nurses and staff and supplying medicines. So thankful for these photos and many more showing needs being met! (Note: Some are too graphic to share but thank God for the care they received!)

Your help is needed to keep this lifeline open. Be part of the answer their prayers.

Help Needed to finish this church:

Any churches or groups want to partner with our brothers and sisters to put a balcony and roof on this church?

They actively worship in the heat from 7-10 am. The facility is also a community center and would be used for school once completed.

Let's encourage them and shine in the face of Voodoo!

We love these smiles of families receiving food and love. They know they are not forgotten, and God has made a way for them. Rice is \$50 US per bag! This is such a big thing for them. We have video of the man in the red shirt dancing and shouting with joy! Thank you every single person that helps them. God bless you abundantly!

With much love,
