August 2024

Warmest greetings to you and your family! We pray all is well with you. *So thankful for everyone partners with support and prayer to give help and hope in Haiti.* These photos and praise reports are possible because God has joined us all together for His sons and daughters there. Hallelujah!

The country is still in very much turmoil from deadly gangs and desperately needs our fervent prayers and continued partnership. Thanking God to be part of answered prayers and giving all the glory to Him for these precious smiles.

Every month, together we provide food for 2 orphanages, many children's programs, and families. Food is very expensive and dangerous to get and deliver. *Pray for Esdras please!*

A Bible School was held for these sweet children (right) to let them know about Jesus' great love for them. Matthew 19:13-14 "Let the little children come to Me.."

Lady helpers at Maranata Church received gifts of support, and mamas in the community were given a food gift for encouragement and point them to Jesus Who is there for them!

**Welcome Nerlie Francois!** This is the little girl whose mama died from last newsletter. She is 7 years old and now officially part of Acts 1:8 Children's Home. Her new mama, Develine, our director's wife, has been showering her with love along with all the children. Look at that radiant smile!

She now has a safe home surrounded by a family where she will know God's goodness. She can hardly believe this grace and says thank you to everyone that is helping her

**Praise Report!** Esdras and friends went door to door sharing the love of Christ as they often do, and on one day 8 people received Jesus as Lord and Savior! Hallelujah!

**Clinic Update** Each month, we are funding the medical clinic in Montrouis, paying 2 doctors, nurses and staff, and buying medicines. Love seeing Dr. Christelle and Dr. Romell treating the very sick and providing a lifeline for the whole community.

**A pressing need now is replacing components of the solar powered electrical system. \$3600 is the estimated cost. Can you help with this?**

This little girl was suffering with her legs and together we are helping her and her family. Her daddy was so desperate for his daughter and deeply grateful. Notice how tiny they both are and their dirt floor. You can see the hope in their faces!

So happy to provide a wheelchair for this fellow. He had tears of joy and was overwhelmed by the goodness of God!

He said thank you so very very much!

We hope you are inspired and encouraged to be part of more smiles and see how appreciated and needed your partnership and prayers are!

With much love,
