God is so good! February is so special because 9 years ago God forever connected us with our brothers and sisters in Haiti. Only because of Him and compassionate partners here, together we are sharing the love of Christ, giving hope and changing the lives of many men, women and children not only as an answer to their prayers for help now, but also for their eternal destiny. We cannot imagine the utter chaos and desperation they live in. We are so thankful for everyone that supports and prays for this mission and them and for all the wonderful miracles seen this past year.

Deadly Gangs Gangs continue to terrorize and kill, rape, take hostages and destroy. In Port Au Prince, they burned several big pharmacies in March, and the wonderful Bernard Mevs hospital in December. Both Esdras & Dr Max have friends brutally beaten as hostages, gangs brag and wave their rifles, kill young and old, and block roadways demanding huge tolls. Food is so expensive, and danger is everywhere. Just this week, gangs attacked the peaceful farming town of Kescoff, killing a pastor and taking his house, an 83-year old woman as she tried to run and students as they took over Baptist Haiti Mission church and school in Qui Croit. Gangs have 85% of Port Au Prince, this gives even greater control over the capital's food supply. Please be in prayer for this evil to be stopped in the mighty name of Jesus.

"The pain is too much down here. When that day arrives to leave this earth, it's will be a glory day for us who are in Christ" ~ Esdras

"Haitians pray 2-3 hours every night just to have something to eat the next day" ~ Dr Max

They need help now more than ever! If it's been a while since you've given, hope you'll consider it.
