Hope everyone is enjoying these beautiful sunny days! It's funny describing our roller-coaster weather to friends in Haiti where it's just always HOT! Spring in Georgia --- it may rain, snow, be 70 degrees or 20! Whatever the weather, it's a herald of renewal and hope seeing daffodils and trees budding and songbirds everywhere glorifying the Lord just doing what they're created to do.

Thank you everyone that prays for our brothers & sisters in Haiti and for those that are able to partner with donations. Together we are also glorifying the Lord and giving hope & encouragement as we provide food, education and medical help in His great name. Every photo is a picture of a glorious & divine intervention into utter despair. So grateful to be a safe place of hope and to say **Yes! We can help and share Christ's love.**

This little girl, 4 years old, drank bleach. Like us, you may wonder how that could happen. Didn't it taste terrible? But then we remember the extreme heat and they often drink water that tastes bad and is deadly. She is ok now, Thank God!

This young man survived a terrible motorcycle accident.

Rice, beans, oil & spaghetti are given every month. These dads are so grateful.

Yikes our mission truck engine broke down on the way to get all the food but thankfully was repairable. Esdras and a group of men travel very far for better prices and there's always danger of gangs taking everything *or worse*. The mission truck literally saves lives over & over.

The kids in our children's home shown with the truck.

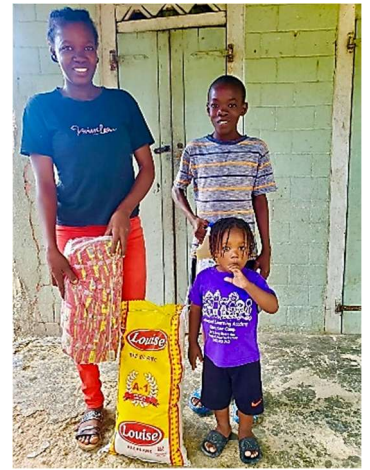

This is ***Eliana Thélémaque*** survivor of a massacre by gangs in Kenscoff, south of Port Au Prince end of January. Her infant son was ripped from her arms and thrown into a fire by armed men. She is in extreme trauma, constantly reliving the unbearable scene.

"I can still hear his screams"

Father God we lift the people of Haiti to you. Heal the wounds of this nation, both seen and unseen, physical and spiritual. Bring restoration to the land and its people and let Your peace reign, in Jesus' name.

Sharing some happy faces because of special generosity! Goats & chickens are a tremendous blessing. 😊

Dr Max's Medical clinic in Montrouis is steadily treating patients and providing needed medicines. So incredible to fully provide the salaries for 2 doctors, nurses and staff, and keep the pharmacy supplied. Hallelujah!

Please consider becoming a monthly Ministry Partner of any amount. **Your help is needed!** You can set up thru your online banking system, thru our website or Facebook (see letterhead) via PayPal or text 4HAITI to 44321 and make a recurring payment. Most importantly, please remember this ministry and the Haitians in your prayers. Lives are being changed now and eternally!

Thank you for giving hope & sharing the love of Christ! God bless you all!

With much love, *The Bauknight Family* The Bauknight Family and all of us at Acts1Eight
