We wish you a wonderful Good Friday and Resurrection Sunday with family and friends. God bless you all! ❤️

Our Lord has written
the promise of
resurrection, not in
books alone, but in
every leaf in springtime.

VICTORY

Jesus' death stripped Satan of his power and
authority to rule over your life.

Colossians 2:15

What joy it is to celebrate what our God has done for us! Jesus, God with us, stepped out of His glory, was born, grew up, showed the Father's love, fulfilled every prophecy as Messiah, demonstrated how to live, laid down His life as the sacrificial lamb, stomped Satan's head, defeated death, annihilated sin, and burst forth in victory as a roaring lion so that we may live in victory. Heaven in us here and now, righteous sons and daughters of God with bold access to our loving Father, and eternally with our God and Savior forever. And He gave us the Holy Spirit to comfort, equip and transform us from the inside out so that we can be who He created. Wow! HE LOVES US! Hallelujah! Death could not hold the very source of Life!

If you have never accepted this free gift of God, there will never be a better time than now!

When He had disarmed the rulers and authorities [those supernatural forces of evil operating against us], He made a public example of them [exhibiting them as captives in His triumphal procession], having triumphed over them through the cross . Colossians 2:15

Even though the crisis in Haiti continues, every day this mission is giving hope with your help. Thank you for your prayers and support! Together we are changing lives, and one day in Heaven you will meet brothers and sisters that felt and accepted the love of Christ because of what God has put together for their good and your part in that amazing plan. Woohoo!

These are the faces of the future of Haiti, and you give them reason to smile! These are some of the fine young men in the Acts 1:8 children's home. So thankful for sponsors and everyone who helps shape these lives. There is no better investment on earth! Looking at them and knowing what they face every day as they walk out the door for school, is simply mind-blowing.

All we can say is Thank you, Thank God!

May the God of hope fill you with all joy and peace as you trust in Him,
so that you may overflow with hope by the power of the Holy Spirit.
Romans 15:13

Together we are providing a meal for many children and family groups and sharing the love of Christ! Hallelujah

This little girl's mother died, and she was being raised by an aunt. Sadly, the aunt beat this poor child and left big gashes on her body. We are helping with medical care, and she is now with other family that loves her. We are continuing to help her & them.

So happy to report the mayor of Montrouis has been released from jail! He is so thankful for this mission and all praise to God for keeping him safe and for his freedom!

Together we are daily meeting needs and being a source of comfort and help during this dangerous and heartbreaking time of terrorism and chaos in Haiti. Thank you.
